Applicant Portal Overview

The AmpliFund *Applicant Portal* allows organizations to submit applications to a funding opportunity. This guide for applicant users explains how to navigate the Applicant Portal, complete funder application forms, and add budget and performance plans during the application process.

Applicants may have received an opportunity-specific link from the funder, or a link to all of the funder's open opportunities.

Getting Started on the Applicant Portal

Here are the steps applicant users should take to set up their Applicant Portal account before starting their opportunity application.

How To Create an Account on the Applicant Portal

The first time you access an opportunity through the Applicant Portal, you will be prompted to create a login and password. Alternatively, users may have received an email invitation from another user in their organization. Once you register, you will be able to access the opportunity.

1. Use the **opportunity link** from the funder.
2. Click an open **opportunity name**.

Project Information

You can add your application information and primary contact information on the Project Information page. If the funder requires a Cash Match and/or an In-Kind Match, those amounts can be added in this section.

How To Complete Project Information

1. Open the **opportunity**.
2. Click **Project Information**.

Application Information

3. Add the **Application Name**. The application name defaults to the opportunity name.
4. Add the **Award Requested**. This is the total amount you are requesting from the grant funder.
5. Add the **Cash Match Contributions** and **In-Kind Match Contributions**, if applicable. This is the amount you are planning to contribute to the project. It may differ from the funder's calculated required amount.

Primary Contact Information

6. Add the application's primary **contact information**. The information in this section defaults to the contact information provided by the user who started the application.
7. Click **Save** to save your progress, **Mark as Complete** to save the page and mark as complete, or **Save & Continue** to save your progress and move to the next page. Your information will not be shared with the funding organization until you click **Submit** on the Submit page.
