L0212 Hazard Mitigation Assistance: Developing Quality Application Elements

FEMA

TARGET AUDIENCE

This course is intended for local jurisdictions, tribal governments, non-profit organizations, state, FEMA employees, and public or private sector organizations that offer consulting services to Unified HMA grant applicants.

COURSE GOALS

Upon completion of this course, participants should be able to do the following:

- Identify the role of mitigation and its benefits to society
- Identify and describe mitigation planning and project activities
- Identify and describe the Unified HMA grant programs
- Identify and describe phases of the Unified HMA Federal Award life cycle

RECOMMENDED REQUISITES

The following courses are not required, but are strongly recommended for your success in this course:

- IS-393.a
- Introduction to Hazard Mitigation
- IS-212.b
- Introduction to Unified Hazard Mitigation Assistance

Additionally recommended:

- E/L0276
- Benefit-Cost Analysis: Entry Level

HOW TO OBTAIN A FEMA SID NUMBER

To register, go to <https://cdp.dhs.gov/femasid>. Click on the "Register for a FEMA SID" button on the screen. Follow the instructions and provide the necessary information to create your account. You will receive an email with your SID number. Keep this number in a safe place for course credit and future use.
