

## Summary of Significant Changes to SHSP from FY22 to FY23

(Updated March 1, 2023)

The FY23 Homeland Security Grant Program (HSGP) Notice of Funding Opportunity (NOFO) provided only a few significant changes compared to FY22 HSGP. These changes affect the State Homeland Security Program (SHSP) State Guidance and are summarized below. Please take note of these changes for any plans you might have for the FY23 SHSP Application.

### SHSP State Guidance Changes

Section	Significant Changes	Reason
Section 1.0: Overview (page 4)	LETPA % Increase (30% to 35%)	FEMA NOFO increased % requirement
Section 1.0: Overview (page 5)	Montana funding allocation	FEMA allocated \$4,847,500.00 to Montana for SHSP
Section 9.4: BABAA	Language added for Build America Buy America Act (BABAA)	FEMA NOFO requirement for infrastructure projects to follow BABAA
Attachment C: National Priorities	National Priority Areas (NPA) % changes to categories	5 of 6 NPAs now require 3% of total funding each Cybersecurity remains at 0% required
