

Montana's State and Local Cybersecurity Grant Program

Roadmap to SLCGP Services

Identify & close your cybersecurity gaps

Start
Here

Understand

- Familiarize yourself with program **FOCUS AREAS** and **AVAILABLE SERVICE OPTIONS**
- Contact the Program Coordinator, Joe Hodgson, for information about available services
 - joseph.hodgson@mso.umt.edu or (406) 243-7858
- Contact Montana DES Grant Coordinators for information and assistance with funding
 - MTDESGrants@mt.gov or (406) 439-5917

Apply

- Click “**Apply**” on SLCGP landing page and complete the application: **download and complete PDF autofill form**
- Contact the Program Coordinator, Joe Hodgson, for assistance with the application
 - joseph.hodgson@mso.umt.edu or (406) 243-7858
- **Submit your completed application** to Montana DES Grant Coordinators
 - MTDESGrants@mt.gov . DES Grant Program Manager (406) 243-7858

Receive Award

- The Montana Cybersecurity Planning Committee reviews your application
- If the Committee approves the application, MT DES will email you an **AWARD LETTER**. DES will attach a **SERVICE AGREEMENT** to the award letter.
- **Download and complete the SERVICE AGREEMENT**. Return it to MT DES MTDESGrants@MT.gov

Onboard Service

- When MT DES receives your completed service agreement, the coordinator will contact you with onboarding instructions for your specific service.
- Depending on the service, you may have to complete a **provisioning worksheet**, **information-sharing agreement**, and an **incident escalation contact sheet**.
- The SLCGP Program Coordinator, Joe Hodgson, will assist with coordination of the onboarding of your service – joseph.hodgson@mso.umt.edu or (406) 243-7858
